Student of the Month: Leonardo Reyes Marquez

Congratulations to Leonardo Reyes Marquez on his finish of first place in the Mario Kart State Championship!!

This is the first state championship for the Esports Program and we are ecstatic. Congrats again on his time of 5:40 — 7 seconds faster than the second place finisher!

Diamondline closes the season strong

Duchesne's Diamondline dance team competed at the Fort Zumwalt North (FZN) Dance Invitational on January 20, taking home first place in Precision Jazz and second place in Pom. The FZN Dance Invitational is a local competition open to any Missouri school dance team.

"The team has been working on their dances all season, and to receive these placements is awesome!" said Duchesne Diamondline Coach Anita Borgmeyer '97. "It was the last competition of the season, so they finished with a bang!"

"With this being my last competition with the team, I wanted to leave it all on the floor, and I couldn't be more proud of the girls," said Ava Buckner '24, Diamondline co-captain. "They have grown so much as dancers this past season, and I can't wait to watch them in the future!"

The Diamondline team worked hard during the year to achieve success in their FZN competition division, meeting for rehearsals twice a week in the morning and on Tuesdays after school.

"Thank you to all the dancers for the hours upon hours of rehearsals, and thank you to the wonderful DHS parents for making weekends like this possible and always supporting your girls," said Borgmeyer. "Congrats on a great season!"

The DHS Diamondline team at the FZN Dance Invitational on January 20.

The Diamondline dancers have made several notable performances throughout the school year, including appearances at St. Louis Cardinals and St. Louis Ambush games.

Ava remarked that involvement in the program significantly impacted her, shaping her as a dancer and a young leader.

"I will forever cherish the memories I've made with this team!" she said.

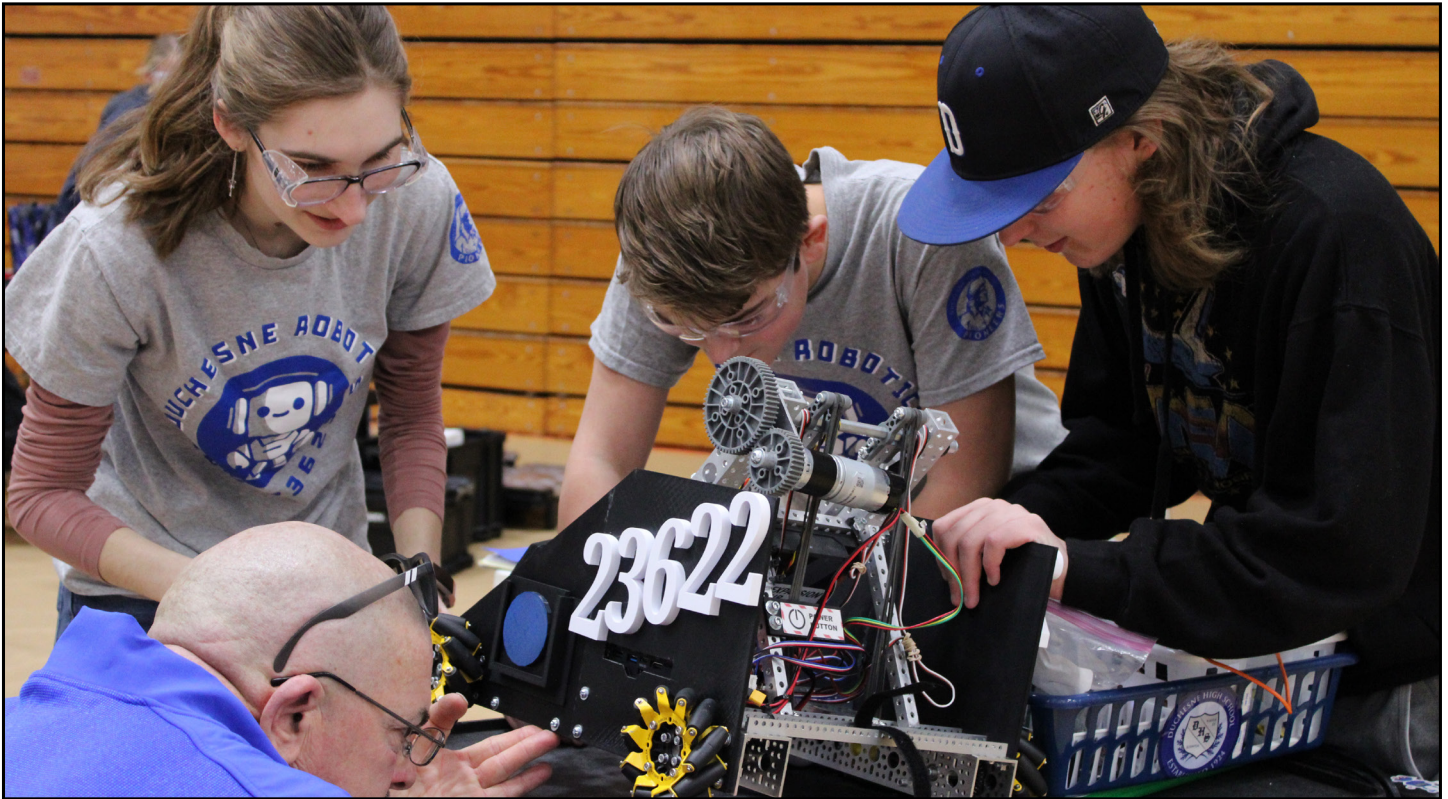

ADMISSIONS – SHADOW VISITS

Do you know a 7th grader? Help us grow Pioneer Nation by suggesting a Shadow Visit at Duchesne!

A shadow visitor will spend the day with a DHS student, accompanying them to class and lunch and generally living life as a Pioneer for a day. It's a great way for a potential Pioneer to experience "that Duchesne feeling" that comes with being part of our school family.

We are scheduling 7th-grader Shadow Visits now! 8th-graders are welcome as well!! Please share this link with your family, friends, and neighbors: <https://www.duchesne-hs.org/shadow-visit-request-form.html>

DHS co-hosts FIRST Robotics Competition

Students Alex Hopf and Tyler Severs are assisted by mentor Madeline Rose and Marty Severs at the FIRST Robotics Competition.

Duchesne co-hosted a FIRST Robotics Competition (For Inspiration and Recognition of Science and Technology) with Shear Force in the Ted Yeater Athletic Center on January 20. It was Duchesne's first time participating in the competition since the creation of its robotics program in the fall of 2023.

FIRST is a global non-profit that prepares students for the future through various team-based robotics programs. The opportunity to co-host the event came through Duchesne's involvement with the organization.

The competition challenges participants to design and

build robots that compete on a playing field with the help of a mentor team tasked with guiding the students in their designs.

"We are very proud of our team and their performance for the first year."

Students programmed their robots to navigate the field and locate marks without driver input. They also took direct control of their creations, guiding them

through obstacles and completing tasks.

"We were told that most first-year teams' robots don't move in autonomous mode, yet ours moves, crab walks, and has a working arm and double claw," said Robotics Team Moderator Becky Severs. "We are very proud of our team and their performance for the first year."

It was an exciting new experience for the Duchesne students involved.

"I was very nervous at first because I had no idea what to expect – as with anything new – but quickly came to realize how fun it was to compete," said senior Luke

Clever. "The best part, for me at least, was building and improving the robot and meeting new people. Working with a team makes for a great time."

Duchesne placed third in the meet and is currently fourth in the league. Now, Severs and her team will prepare for a qualifier match in February.

"We are looking forward to the continued growth of our team and are amazed at how we started with a box of parts and a simple idea and have continued to grow each week," said Severs.

From the Advancement Office

Becky Williamson
Director of Advancement

Greetings, Pioneer Nation!

What a whirlwind these past few weeks have been!! Let's talk about it!

Have you heard that enrollment for our freshman class is up 46% from last year? That is just one of the AMAZING things happening in Admissions. We have been busy making contacts and reaching out to over 22 local grade schools in our area.

On February 12, we will host our Welcome Night for incoming freshmen. This is one of my favorite days of the year. It gives us a chance to get to know the new families and spend more time with each of the students. It's fun, exciting, and something everyone looks forward to!

New DHS Parents — Please look for a survey that will go out on Tuesday. We are always looking for ways to improve and we want to hear your feedback on the enrollment process.

In Advancement, we recently celebrated our 46th annual Pioneer Expedition Gala! What a night!! Our new location at Ameristar did not disappoint. The dueling pianos kept us dancing and singing late into the evening. A special thank you to Jack Borgmeyer '97, who was our emcee for the main event, our LIVE Auction.

We smashed our Fund Our Future Fund-a-Need goal of \$75,000, and raised just over \$100,000 for Family Scholarships in conjunction with the Gala. These funds will help Duchesne open our doors to more families who wish to provide their child/ren with a Catholic education in the Pioneer tradition. We are so thankful for our donors, sponsors, and guests. Your generosity speaks volumes!

If you weren't able to attend, there is still time to give. You can make your gift to support

The 26th annual Pioneer Expedition Gala was held in the Discovery Ballroom at the Ameristar Casino Resort Spa in St. Charles.

Let's hear it for our alumni!! Friday, February 2, was a night to remember! We honored the 1984 Baseball and Track & Field State Champions, as well as our 2023 Boys Soccer State Champs. We also celebrated our recent Hall of Fame inductees: Lizz (Barringer) Lagomarsino '85 and Dan Plackemeier '76 / Gateway Athletic Conference Hall of Fame and Charlie Elmendorf '76 / Missouri Football Coaches Hall of

Fame. With our DHS Drumline's glow-in-the-dark performance before the award recognitions and the Alumni Pommers and Dancers' routine in conjunction with our Duchesne Diamondline at varsity halftime, it was truly a memorable evening!

We hope to see you back on campus soon! If you would like to schedule a tour, please click here: [Duchesne High School | Schedule a Tour \(duchesne-hs.org\)](#)

It's a Great Day to be a Pioneer!

FRIDAY, FEBRUARY 2: A GREAT DAY TO BE A PIONEER!

What a wonderful evening we had in the Ted Yeater Athletic Center on Friday, February 2, 2024, at our Pioneer Champions and Hall of Famers Night! The festivities kicked off with a luminous glow-in-the-dark DHS Drum Line demonstration. (below)

Our two 1984 State Championship teams were well-represented, with about 15 members from each of the Baseball and Track & Field teams who won their state titles a week apart in May 1984, and certainly did not look like that was 40 years ago!! Our 2023 Boys Soccer State Champions were recognized in front of all Pioneer Nation as well.

In addition to highlighting those teams, the ceremony between the two Boys Basketball games included congratulations to Charlie Elmendorf '76, DHS Head Football

GAC Hall of Fame inductees Dan Plackemeier '76 and Lizz (Barringer) Lagomarsino '85 with MFC Hall of Fame inductee Charlie Elmendorf '76 (left) The 1984 Baseball State Championship Team (above)

Coach from 1995-2022, who was recently named to the Missouri

(Barringer) Lagomarsino '85 and Dan Plackemeier '76, who were inducted into the Gateway Athletic Conference Hall of Fame.

Football Coaches Hall of Fame, and a formal plaque presentation to Lizz

Lizz was a three-sport athlete at DHS (Basketball, Softball, and Track). She was named GAC All-Conference 1st Team in Basketball and held the GAC 1st place spot for hurdles during all four years at Duchesne. She and her husband, Bob, traveled to St. Charles from California to receive her Hall of Fame honor and reconnect with her 1984 championship teammates.

(continued on page 7)

(continued from page 6)

Dan was also a three-sport athlete at Duchesne, serving as our school's varsity quarterback for two years, as a key starter on the varsity basketball team for three years, and as a varsity pitcher for four years. Dan said one of his favorite things about the evening was how impressed his grandkids were when they heard of his accomplishments!

In addition to all of the above, Pioneer Nation was treated to a special varsity halftime performance when our Alumni Pommers and Dancers joined the Duchesne Diamondline for a fast-paced presentation choreographed by Anita (Maskey) Borgmeyer '97.

Wellness

Using the 54321 technique, you will purposely take in details of your surroundings using each of your senses. Strive to notice small details that your mind would usually tune out, such as distant sounds, or the texture of an ordinary object.

What are 5 things you can see? Look for small details such as patterns on the ceiling, the way the light reflects on the surface, or an object you never noticed.

What are 4 things you can feel? Notice the sensation of clothing on your body, the sun on your skin, or the feeling of the chair you are sitting in. Pick up an object and examine its weight, texture,

and other physical qualities.

What are 3 things you can hear? Pay special attention to the sounds your mind has tuned out, such as a ticking clock, distant traffic, or trees blowing in the wind.

What are 2 things you can smell? Try to notice smells in the air around you, like an air freshener or freshly mowed grass. You may also look around for something that has a scent, such as a flower or an unlit candle.

What is 1 thing you can taste? Carry gum, candy, or small snacks for this step. Pop one in your mouth and focus your attention closely on the flavors.
