

DUCHESNE HIGH SCHOOL SUMMER 2025 WORK PROGRAM APPLICATION

Work study is available during the summer months for interested students as program needs and openings allow. Participating students work off part of their tuition bill by working approximately 4 days per week (Monday-Thursday) from 7:00 a.m. to 2:00 p.m. (with a 15-minute morning break and 30 minutes for lunch). Payment for this work is applied directly to tuition without deductions. The program is open to a limited number of students. Eligibility is based on financial need on a first-come/first-served basis.

The 2025 summer work schedule is from Monday, June 2, through Thursday, June 26, 2025, and Monday, July 7, through Thursday, July 31, 2025. Students may be awarded a 4-week or 8-week plan, with a \$1,000 tuition credit for each 4-week period worked.

In order to determine the students in need of this opportunity, we ask that each family requesting summer work fill out this form and the FACTS application indicating financial need. (Please click [HERE](#) for the link.)

Guidelines for admittance to the summer work program include:

- 1) The Summer Work Application must be completed and sent to the DHS Business Office.
- 2) The family must be in need of financial assistance and fill out the FACTS application online.
- 3) The student must fulfill the time requirements and performance standards to remain in the program.
- 4) The student must show diligence in work, willingness to concentrate on assigned tasks, and acceptance of various jobs.
- 5) The student must be able to work without constant supervision.

Students will be assigned various indoor and outdoor work assignments. Students are expected to work the entire time. Any student found not working or misbehaving will be given a warning. The second warning will mean automatic dismissal from the Summer Work Program.

Each student must obey any staff member of DHS: teachers, maintenance personnel, administrative assistants, and administration. Mr. Dave Burks, Facilities and Securities Director, and the program supervisor must be notified of any tardiness, absence, or early departure. For any of these conditions to occur, parental explanation is necessary.
